

Report time

This week you all received a form to complete if you wished to see any teacher regarding Term Two reports.

These only need to be returned if you require time with any teacher.

Reports will come home on Sunday, April 10.

Interview days are:

Sunday April 17, 3 - 7.30pm

Monday April 18, 3 - 5.30pm

A couple of points to note;

*KG do not have a report - the parent interview will be a time to discuss your child's learning journey with their teacher.

* We try our best to fit you into the times you have identified but please understand that we may not be able to give you your first choice.

* We are unable to accept late requests for interviews so please return your forms **no later than Tuesday April 12.**

We look forward to seeing you all here to share in your child's learning journey.

WELCOME BACK

We all hope you enjoyed a relaxing week's break and are feeling refreshed and ready for the final term of our first year as Al Shomoukh International School. This is a short term - ten weeks and already one week ticked off.

There are many things happening over the term and we will keep you informed of how you can be involved. PLEASE - as we enter the summer ALL children need to bring a refillable water bottle; keeping hydrated during the hot days is vital.

15 BPA-FREE WATER BOTTLES FOR KIDS

Drama Performance

We have been invited to host a visiting UK performing arts group for one show.

"BIG RED" is a play with an environmental theme and will appeal to children from 4 years and up.

Date: Wednesday April 13, 2016

Time: 6.30pm

Cost: 3 OMR

Adults are also welcome.

Final day for buying tickets is Tuesday April 12. Please see Dr David - don't miss out ☺

School Happenings

Science Alive!

Over this term there will be a lot of learning going on that has a science focus; we have the excitement of our first Secondary Science Fair in the middle of May, and a science exploration day also in May.

Today the Grade 5 students would probably say their day went with a bang, as they explored the properties of dry ice.

We are not sure who was having the most science fun - the students or Mr Tim!

UPCOMING EVENTS

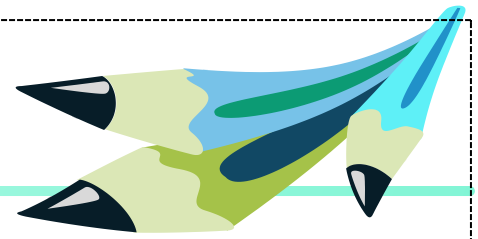

A few things leading to the end of term –

Sunday April 10 – Student Reports go home

Thursday April 14 – Student Dodge ball competition.

Sunday April 17 – Parent Interviews 3-7.30pm

Monday April 18 – Parent Interviews 3-5.30pm

SIS Stars 😊

We are very proud of all our SIS students but would like to make special mention of some of our risk takers who represented the school at various events over Term Two.

On March 14 four children represented us at an Arabic Social Studies competition hosted by the Ministry of Education. Students from all Muscat private schools were invited. They put in a huge effort both leading up to and on the day.

Well done to Abdullah al-Aufi and Sara Al Lawati (both Gr7), and from Gr8 Lyana Mahfooz and Rawan Al Hashar.

We also want to acknowledge young Farah Mulhem who very early on in Term Two donated a book for the Arabic section of our school library. Thank you to all those who have since donated books - our children enjoy them.

What a great week one we have had; looking forward to nine more.

Ciao
