

Living learning moments

MAKING SENSE OF OUR WORLD

This week we had the pleasure of hosting three representatives from the National Centre for Statistics & Information.

Students from Grades 7 and 9 were informed about the Oman population census and its importance to all those who live here.

This information linked in nicely to the current focus of population that the students were exploring in their Social Studies Arabic classes.

Our visitors were also very generous with gift packs they presented to the students.

Please visit the link below where we feature in the NCSI news, as well as articles in Alwatan, Alroya, and Alshabiba newspapers.

Presenting our first school

MUFTI DAY

Theme - Celebration!

Thank you to all those who made a monetary donation.

106 OMR has been raised and this will go to a local orphanage chosen by our Grade 8 students - Dar al Atta. It was a fun day for all.

Through giving we gain

The Red Box appeal

A final note regarding the great job our senior students did in driving this appeal at SIS.

It was decided to look to the needs of people in our immediate community and the boxes were handed over to them today.

We recognise the great community mindedness these students have already shown and look forward to seeing what future projects they identify.

ASSESSMENT & REPORTING

This week all students received a notice outlining the assessment and reporting overview for the rest of Term One. If you have not seen this please let our admin know and we will email one to you.

Information regarding revision and upcoming assessments will be noted in student diaries along with feedback.

Thank you for supporting us in supporting your children.

UNIFORM AMNESTY

You might be asking what is an amnesty? Well, in a way, it is a general pardon (or chance) to allow people to make an action right or correct it.

Over the past three weeks there have been many variations of, and additions to, our SIS school uniform that are not appropriate.

It was mentioned in an earlier newsletter what made up our uniform, however, there has been very little noticeable change.

From Sunday November 8 if children are wearing non-uniform clothing or shoes they will be given a note identifying what needs to be addressed.

We want all students to wear our SIS uniform with pride and reflect a school unity, and look to parents to support us in this.

As we enter November you will notice an excitement building as preparations for National Day begin. We will be sending out information to you as we lead up to this time of celebration.

Have a lovely weekend

Maree Butler ☺
